Tag Replacement Form

In the event the ID tag on your sheep that is listed on the registration papers is lost, when you replace the tag you can note new tag information on this form and attach this information to your registration papers. Return this form to the UHHSA Registrar when transferring or doing other registration work on your sheep and the new tag ID number can be corrected on your registration papers to match the new tag on your sheep. There is no charge when tag number correction is done at the same time as other work, such as transferring. If you want the new tag listed on your papers without other work being done the charge is $8.00 to reprint a new certificate.
